Dear All:

Thank you for reaching out to our office regarding House Bill 324 – Ensuring Dignity & Nondiscrimination/Schools.

Governor Cooper vetoed HB 324 on September 10, 2021, and he shared the following statement:

The legislature should be focused on supporting teachers, helping students recover lost learning, and investing in our public schools. Instead, this bill pushes calculated, conspiracy-laden politics into public education.

Thank you again for reaching out to our office. We appreciate input from valuable stakeholders.

Regards,
